-
- REMEMBER: THE MARTIAL ARTS ORIGINATED AS A MEANS OF ATTAINING PHYSICAL GOOD HEALTH AND LONGEVITY AS WELL AS A PHILOSOPHICAL OR SPIRITUAL GOAL. COMBATIVE TRAINING IS NOT THE SOLE PURPOSE. IT IS A BEGINNING RATHER THAN AN END.
- REMEMBER: YOUR DOJO IS A CHERISHED PLACE OF LEARNING AND BROTHERHOOD. TO THE DEDICATED STUDENT, THE DOJO BECOMES A CONCEPT; A WAY OF LIFE SYMBOLIC OF THE METHODOLOGICAL, IDEOLOGICAL AND PHILOSOPHICAL ASPECTS OF KARATE. ONE'S CHARACTER IS AS MUCH AFFECTED BY KARATE AS THEI BODY.
- REMEMBER: ALWAYS TRAIN WITH THE "KI" (SPIRIT) IN YOUR HEART SO ALL WILL SAY YOU ARE THE BEST KARATEKA YOU ARE ABLE TO BE.
- REMEMBER: A KARATEKA IN TRAINING IS IN KARATE:
STRENGTH COMES FROM HEALTH.
SPEED COMES FROM EFFORT.
TECHNIQUE COMES FROM EXPERIENCE.
WILL POWER COMES FROM FAITH.
SERENITY COMES FROM OLD KNOWLEDGE.
PROGRESS COMES FROM NEW KNOWLEDGE
- REMEMBER: IN THE REALITY OF THE STREET, ONE MUST BE IN "TOUCH". A HEAD FOR AN EYE, A HEART FOR A TOOTH AND A TRIBE FOR A LIFE. ***(THIS IS WHY A KARATERA FIGHTS AS A LAST RESORT!)***

THE HISTORY OF GOJU KARATE

-FROM CHINA TO WESTCHESTER, NEW YORK, USA-

THE "HARD AND SOFT" SYSTEM TRACES ITS ORIGIN TO THE EXTERNAL SHOA (CHI-CHI) STYLE AND THE INTERNAL PA KUA CHANG SYSTEMS OF CHINA. THE GREAT KARATE MASTER, KANRYO HIGASHIONNA SAILED FROM OKINAWA TO CHINA TO LEARN THESE SYSTEMS OF INSTRUCTION. WITH OVER TWENTY YEARS OF TRAINING HE RETURNED TO OKINAWA AND INTRODUCED A NEW SCHOOL OF KARATE THERE. THE NEW STYLE, CALLED NAHA-TE, INCORPORATED HARD AND SOFT, SLOW AND FAST MOVEMENTS. IN 1915, MASTER HIGASHIONNA DIED, LEAVING MANY DEVOTED STUDENTS. CHOJUN MIYAGI, HIGASHIONNA'S TOP STUDENT, BECAME HIS SUCCESSOR AS HEAD OF NAHA-TE.

MIYAGI TRAVELED SEVERAL TIMES TO CHINA AFTER HIGASHIONNA'S DEATH AND REMAINED EACH TIME TO TRAIN IN CHINESE KEMPO. HE FURTHER IMPROVED AND DEVELOPED THE THEORY AND TECHNIQUES OF NAHA-TE AND SCRUTINIZED IT SCIENTIFICALLY FOR MARTIAL ARTS TRAINING IN OKINAWA.

IN 1929 CHOJUN MIYAGI WAS INVITED TO JAPAN BY GOGEN YAMAGUCHI, FOUNDER AND CHIEF INSTRUCTOR OF THE RITSUMEI-KAN UNIVERSITY KARATE CLUB. YAMAGUCHI BECAME MIYAGI'S PRINCIPAL DISCIPLE AND LATER THE SUCCESSOR OF THE GOJU SYSTEM IN JAPAN. IN 1950, HE REORGANIZED HIS ORGANIZATION CALLING IT THE KARATE-DO GOJU-KAI.

GOJU-KAI WAS INTRODUCED TO THE U.S. IN 1959 BY PETER URBAN, A STUDENT OF YAMAGUCHI, MAS. OYAMA AND RICHARD KIM. IN 1965, HE RESTRUCTURED HIS ORGANIZATION AND CREATED U.S.A. GOJU (URBAN SYSTEMS OF AMERICA) OR AMERICAN GOJU. HE COMBINED THE TRADITIONS OF YAMAGUCHI, THE FIGHTING SPIRIT OF OYAMA AND THE PHILOSOPHY OF KIM WITH HIS OWN TECHNIQUE PERSONALITY TO CREATE U.S.A. GOJU.

NISEI GOJU-RYU WAS FOUNDED BY GRAND MASTERS FRANK RUIZ, HARRY ROSENSTEIN AND RONALD TAGANASHI IN 1969. NISEI GOJU-RYU MEANS: SECOND GENERATION, THE WAY OF HARD AND SOFT. NISEI IS A SYNTHESIS OF THE EDUCATION, TRAINING AND EXPERIENCES OF THESE YUDANSHAS (BLACK BELTS) AND THE TRADITIONS OF THE GOJU-KAI SYSTEM. THE MAJOR TENET OF NISEI GOJU RYU IS CIRCULAR MOTION. GOJU IS "THE ART OF IN CLOSE FIGHTING." IT EMPHASIZES MULTIPLE HAND TECHNIQUES.

THE THREE FOUNDERS OF NISEI GOJU WERE ALL STUDENTS OF PETER URBAN. KYOSHI SENSEI EARL MONROE, A DIRECT STUDENT OF FRANK RUIZ, WAS THE CHIEF INSTRUCTOR OF THE WESTCHESTER CHAPTER OF NISEI GOJU. HANSHI R.A. FITZPATRICK IS A DIRECT STUDENT OF PETER URBAN FRANK RUIZ AND EARL MONROE.

Raymond A. Fitzpatrick

Mr. Fitzpatrick was born in Queens, N.Y. on May 3, 1954, when he was 2 years old the family moved to Spanish Harlem, a neighborhood in Manhattan. His college educated, professional parents had high expectations for him and he was enrolled in Irish-Christian brothers schools. While attending high school a teacher began discussing the benefits of martial arts training with him. It fell on deaf ears, as his interests laid elsewhere. After two years of conversations, Mr. Fitzpatrick, dragged by his cousin, stumbled onto the Bronx, N.Y. Nisei Goju-Ryu dojo of Kyoshi Earl Monroe in 1970.

Kyoshi Monroe, by now a triple black belt in Judo, Jiu-Jitsu and Goju-Ryu, was a hard nosed, no nonsense instructor. A student of Master Frank Ruiz (deceased), Monroe believed in long workouts and strong kumite. You had no choice but to improve.

The move to Iona College in New Rochelle separated Mr. Fitzpatrick from Kyoshi Monroe; fortunately, his Goju journey continued. He joined the U.S.A. Goju Karate Club supervised by Master Albert Gotay. Mr. Fitzpatrick came up through the ranks as an Urban Goju-Ryu karateka. Upon graduating from Iona in 1975, he asked Master Gotay, a direct student of Chief Grand Master Peter Urban, for permission to work with the Chief Grand Master. Master Gotay directed him to Goju Hall (the Honbu Dojo), NYC.

Training at the Honbu dojo was truly an enlightening experience for the young karateka. Masters of Goju-Ryu would stop in and train on a regular basis; but most fascinating of all were the classes of the Chief Grand Master. Mr. Fitzpatrick was promoted to black belt by Chief Grand Master Urban in 1976. Lacking a place to train in his home town, he asked permission to open a dojo in New Rochelle and it was granted. Goju Hall II was opened that same year.

In 1977, Mr. Fitzpatrick began working with Master Frank Ruiz at The University of the Streets, NYC and Kyoshi Earl Monroe at Nisei Ni, Mt. Vernon, N.Y. He founded the New Rochelle Karate Institute in 1978 and reconnected with the Nisei System.

In 1978, at Kyoshi Monroe's suggestion, Mr. Fitzpatrick began training with Prof. Albert Dandridge; a member of the Kyudan Jiu-Jitsu Federation and a Jiu-Jitsu dojo brother of Kyoshi Monroe. Mr. Fitzpatrick traveled through the ranks eventually being promoted to black belt in 1988, 2nd degree in 1993 and 3rd Dan in 2003. Prof. Dandridge maintains weekly contact with Mr. Fitzpatrick as chief Jiu-Jitsu instructor of the New Rochelle Karate Institute.

From 1982 until 1988, Mr. Fitzpatrick was an adjunct professor of Physical Education at Concordia College in Westchester, NY; where he inaugurated and instructed a martial arts Physical Education course. He did the same at the City College of the City University of New

York in 1990. From 1992 - 1998, he created and instructed the martial arts after-school programs at The Daniel Webster Magnet School, The William B. Ward Elementary School and The George M. Davis Elementary School all in New Rochelle. As of 1998 to the present, he is teaching for the New Rochelle High School's after school program. He established the New Rochelle High School Self Defense Club. His dojo, the New Rochelle Karate Institute, is now located in the New Rochelle High School wrestling room. In 2001, he began instructing a martial arts course for the Athletics and Physical Education department of Sarah Lawrence College located in Bronxville, NY.

From 1984 to 1994, Mr. Fitzpatrick taught at the Metrofit Athletic Club in Pelham Manor, NY. Additionally, he sponsored five open karate tournaments from 1984 until 1988 hosted by the Metrofit Athletic Club.

A tournament competitor and referee, he began competing in 1974. Included in his tournament record are 1st place fighting wins in 1974, 1975, 1978, 1981, 1986 and 1988. He was also the Grand Champion of the 1981 tournament. Mr. Fitzpatrick retired from tournament competition as a 4th degree in 1988.

In 1980, Master Ruiz relocated to Florida and in 1985, Kyoshi Monroe left for Arizona. Mr. Fitzpatrick worked briefly with Master Chaka Zulu, but spent his time primarily in his dojo creating black belt students. With the unexpected death of Master Ruiz in 1995, the Nisei system began to fractionalize.

By 1999, Mr. Fitzpatrick realized that it was time to self-incorporate his own organization. Again with Chief Grand Master Peter Urban's consent, Mr. Fitzpatrick began Nisei Goju-Jitsu. "Nisei" is in honor of Master Ruiz and Kyoshi Monroe; "Goju-Jitsu" translates as the hard and soft combat method, an eclectic synthesis of Mr. Fitzpatrick's Goju-Ryu and Jiu-Jitsu experiences.

Fitzpatrick, Hanshi has recently obtained his fourth black belt rank in Shodan of the Bujinkan Dojo, International directed by Dr. Masaaki Hatsumi, Soke. Warren Young, Shidoshi, Hanshi's instructor, has trained in Nippon Tia Jutsu and Goju-Ryu.

Mr. Fitzpatrick was promoted to 10th degree black belt by Seiko Hanshi Peter Urban and awarded the title of direct student of Seiko Hanshi. To date, Mr. Fitzpatrick continues on his quest for new knowledge and strives to impart on his students his love and respect for the Martial Arts.
